

About our crewe

The Pyrates of the Coast is a performance troupe of pirates and wenches based in the Pacific Northwest that performs throughout the United States and abroad.

As entertainers who've brightened the lives of thousands – young and old – over the years, The Pyrates of the Coast can offer you dependable, quality entertainment that no one else can!

Like what, you say?

Well, over the last two decades we've served as color and atmosphere at festivals and events, mingled with the rich and famous, performed for corporate events, shanghaied a ship filled with guests and sailed them off to Treasure Island, performed the historical trial of Anne Bonny and Mary Read, created and hosted the National Walk the Plank Championships – and that's just for starters!

Why, the possibilities are limited only by your imagination. We even have a full blown three-act pirate melodrama complete with costumes, props, black-powder and sword fights!

We guarantee that we can spice up your next event no matter what it is or where it is.

A band of pirates... A pirate band

In the old days, a pirate band was a highly prized addition to any crewe.

Well, we've continued with that tradition, fielding a talented band of pirates known collectively as Knot for Sail.

These lads and lasses know how to liven up a crowd, playing a wide range of music, from nautically inspired tunes new and old to original compositions, parodies, singalongs, folk - you name it.

Most of the time, you'll find them adding a little color to any of our standard appearances, singing impromptu songs wherever they find an audience.

If you like, they can even do a stage gig, from a half hour kid-friendly performance where your wee ones become part of the show to an hourlong set of toe-tapping, audience favorites.

**Costumed Entertainment
for all Occasions**

Invite us to sail along!

Whether it's an intimate gathering of friends for a celebration or a convention of a thousand or more, The Pirates of the Coast will make it an occasion to remember.

Go from ho-hum to Yo-Ho!

As a tried and true entertainment troupe that has been delighting children of all ages over the last 20 years, we can take your ho-hum event and give it a healthy dose of yo-ho-ho! From the moment you first call us our talented team will work with you to develop an event your guests will long remember.

Just a few of the events we've been part of include a pirate feast for 400

employees, a pirate-themed corporate cruise, a shipwreck dance, Mardi Gras Magic in Texas, the Pirates in Paradise festival in Key West and many smaller festivals and venues throughout the Pacific Northwest.

We're a band of pirates with our own pirate band, too – always ready at a moment's notice to add a little impromptu music.

Some of our event specialties...

And what do we do at these events? Whatever you need, from hilarious improvisation with your guests and posing for souvenir photos to serving as goodwill ambassadors, singing songs, serving as an ice breaker or helping run a live auction. We're extremely good at knowing what to do next and our antics are always appropriate to the audience, young or old.

Some adventures to stimulate yer thinkin'

Following is a small sample of the many possibilities. Most can be customized and scaled to fit your needs.

OUR STANDARD VISIT ...

Blending humor, impromptu songs, complimentary pirate treasures and a myriad of other piratical antics, our pirates and wenches can entertain children of all ages.

FESTIVAL FUN ...

Our crewe can add color to your festival, bringing piratical hijinks to the event grounds, entertaining children, handing out beads, giving tests of piratical skill and making guests honorary pirates. We can even entertain a crowd lining the street as they wait for your parade to begin.

PYRATE SHOW ...

We can create a customized show that incorporates your organization into the script, complete with actors, props and guest involvement.

AUCTION ACTION ...

If your event involves an auction, we'll dive right in and help make it a success. We can serve as masters of ceremonies, spotters or "guilters" – cajoling bidders into spending more (using a lot of humor, of course).

GUEST VISITS...

We love to entertain guests or residents who may be unable to go to a festival or event, including those in retirement or veteran's homes, hospitals and rehabilitation centers.
